II . Land Acquisition all along with the 100 Feet Road of Madhurawada – Kapuluppada (v) .

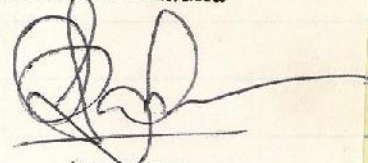

Sub: L.A VUDA – Acquisition of lands all along the 100' wide Road of Madhurawada to Kapuluppada (v).

The VUDA has already developed Madhurawada Town-ship and also Kapuluppada Layout. Connecting these two layouts the VUDA has already formed 100' wide road . Due to formation of 100' wide road and also development of the two layouts the intermediate belt adjacent to 100' wide road has become much potential for the growth of mini-city in future. Therefore it is felt necessary to acquire the private lands on both sides all along and adjacent to the 100' wide road for the comprehensive development of the Mini – City .

In view of the above the matter is placed before the VUDA Board to approve the proposal of Land Acquisition all along the 100' wide road in between Madurawada and Kapuluppada Layouts.
