

SUBJECT NO : 105

Sub: Works – Engg – Providing VDF Cement Concrete, Construction of CC Drains for Main road in Narasannapeta, Srikakulam District – Administrative Sanction accorded – Draft subject placed before VUDA Board for ratification and approval – Reg.

AGENDA NOTE:

It is to submit that during the Review Meeting on Development Activities conducted by Hon'ble Chief Minister of AP under Indiramma Bata in Srikakulam District on 30-09-2012, Sri Dharmana Prasada Rao Hon'ble Minister for Roads & Buildings requested Vice Chairman, VUDA to lay CC Road and construction of Storm Water Drain for Main Road in Narasannapeta Town as the existing road was damaged and since there is no proper drainage facility.

Thereupon Vice Chairman, VUDA inspected the said road and observed that it is an important road used by most of the residents in Narasannapeta Town connecting National Highway at Peddapeta junction and old Bus Stop junction. At present the road is in very bad shape and existing drains are choked and not functioning. Because of the above, pedestrians as well as vehicular traffic are facing much inconvenience and hence instructions were issued to submit necessary proposals for construction of CC Road and Drains to the said road.

In accordance with the above, estimate was prepared to lay VDF Cement Concrete and construction of CC Drains for the said road. The length of the road is 1.60KM and width is 3.60Mtrs. The Storm Water Drain of size 1'-0" is proposed on both side of the road. The estimate is prepared based on the common SOR for the year 2011-12 and circulars of Board of Chief Engineer's and worked out to Rs.125.00 Lakhs.

The Vice Chairman, VUDA accorded Administrative Sanction for Rs.125.00 Lakhs for the subject work and permitted to take up the same by way of 'e'-tenders.

Hence the matter is placed before VUDA Board for perusal and ratification.

VICE CHAIRMAN

CHAIRMAN

VUDA RESOLUTION NO. 105, DT. 15-12-2012

The Board discussed the matter and resolved to ratify the subject.
