AGENDA NOTE :

The Visakhapatnam Urban Development Authority [VUDA] was constituted on 17-06-1978 under the provision of A.P. Urban Area (Development) Act 1975.

As per the said Act, the Vice Chairman is the Chief Executive of the Authority. In order to effectively discharge duties, it is necessary to delegate certain subjects and duties to different Heads of Departments and other officers of VUDA as per Administrative convenience. A similar kind of arrangement exists in Municipal Corporations where the Commissioner is the Chief Executive and he delegates various subjects and duties to officer.

Therefore, the Vice Chairman, VUDA may be authorized to delegate subject and duties to various officers for administrative convenience in matters where Government instructions related to the subject have already been issued or wherever the VUDA Board has taken a decision. In all other cases, the matter may be brought to the notice of the Board.

Hence, the matter is placed before the VUDA Board for approval.
