

SUBJECT NO: 136

Sub: Works - Engg. - VUDA - Providing roofing to Dr Rao Gopala Rao, Open Air Auditorium, Anakapalli - Draft subject placed before VUDA Board for perusal and approval - Reg.

...

**AGENDA NOTE:**

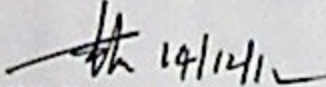

VUDA has constructed an open Air Auditorium in an extent of Ac 1.46 Cts. in the land belongs to Municipality at Anakapalli during the year 1999 since there is no such facility in Anakapalli Town. It was named as Dr.Rao Gopala Rao Auditorium subsequently. The seating capacity of the Auditorium is 2500 (approx). At present the Auditorium is being used for conduct of various cultural programmes, school functions, Musical nights, Meetings of Government Department organisation of Private & Public Sectors.

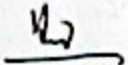

Local Artists and Organisers of Cultural Programmes have requested VUDA to provide roof for the Open Air Theatre since the Auditorium is lying vacant and functions / meetings could not be performed during rainy season and day time. It is also expressed that much inconvenience is being caused to the public and audience due to direct sun and rains. At times it is becoming necessary to provide temporary shelter by arranging Shamiyana other means for conducting programmes in day time.

The people representative (local) and general public have also represented VUDA to provide shelter for the Open Auditorium so that the Auditorium can be utilized throughout the year. Considering the above respects VUDA proposes to provide shelter with architectural roofing using modern technology - Skytons (tensile structural roofing) with PVDF / ACRYLIC on both sides having excellent UV protection with self cleaning properties including supporting steel frame structure and foundation to make open air auditorium more elegant.

The total project cost is worked out to Rs.176.00 Lakhs towards Civil & Fabrication works including roofing.

Hence the matter is placed before VUDA Board for perusal and to consider the proposal of taking up providing roofing to Open Auditorium, Dr Rao Gopala Rao Auditorium, Anakapalli.
