

SUBJECT NO : 94

Sub: Works - Engg. - Renovation of Pavilion block and providing roofing to VIP Stands of Indra Priyadarsini Municipal Stadium at Visakhapatnam - Draft subject placed before VUDA Board for Approval -Reg.

AGENDA NOTE :

It is to submit that Indra Priyadarshini Municipal Stadium was constructed during the year 1987 by GVMC near old bus stand at Town Kotha road, Visakhapatnam for the use of public under infrastructure development. Previously the Open Ground was used for all types of sports including Cricket and even a International One Day Cricket Match was also held in the past. During course of time the accommodation underneath the galleries and pavilion block was temporarily given to CRPF as per the directions of the District Administration. From then onwards the Stadium could not be utilized and is in a dilapidated state.

In view of the above and on the request of public representatives and other Citizen groups, the District Administration has taken a decision to shift the CRPF battalion to some other place and bring the stadium into use as before. The Stadium was inspected by Principal Secretary to Government, MA&UD Department, and Vice Chairman, VUDA and Commissioner, GVMC along with local MLA Sri Dronamraju Srinivasa Rao, during the month of November, 2012 and instructions were issued to Commissioner, GVMC and Vice Chairman, VUDA to renovate Indra Priyadarsini Municipal Stadium in full shape. The galleries and pavilion block including stands are in a deteriorated condition and need improvement so that the residents of Visakhapatnam old city can avail the facility without any hindrance.

Accordingly, VUA has decided to renovate the pavilion block including roofing to VIP Stands over the pavilion block. The other development works including forming walking path, providing turfing for the ground, electrification, roads, gates, etc., are being taken up by GVMC.

A line estimate has been prepared for Rs. 1.20 Crores towards providing roofing with galvanized sheet for the VIP stands over the pavilion block and repair works to the pavilion block.

Hence, the matter is placed before the VUDA Board for perusal and approval to take up renovation of pavilion block including providing roofing to VIP Stands of Indira Priyadarshini Municipal Stadium with an estimated cost of Rs. 1.20 Crores.
