

SUBJECT NO: 95

Sub: Engg. - VUDA - Providing Central median & Street Lighting along Madhurawada - Kapuluppada 100'-0" wide Master plan road from Midhilapuri Colony, VUDA layout Jn., to Beach road at Thimmapuram Jn., - Approval - Requested - Reg.

AGENDA NOTE :

Earlier VUDA had developed a 100'-0" wide Master Plan road connecting NH-5 at Jatara (Silpamam) Jn., and Visakhapatnam-Bheemili Beach road at Thimmapuram Jn., having a length of 7.20 Km with two carriage ways of 7.5mts. wide, along with 2.00mts., wide Central Median. This is one of the arterial roads between NH-5 and Beach road serving as a main road for various VUDA Housing Schemes and Layouts such as Midhilapuri Colony, Lake View layout, Cyber Valley layout, Harita Housing Scheme, Kapulauppada VUDA layout etc., and connecting link roads to ITSEZs, RTC Colony, Vambay Colony, Buddhist Heritage Centres Bavikonda and Thollakonda tourist destinations.

Previously only BT road has been taken and completed for single carriage way. As such 2nd carriage way, central median and street lighting components are yet to be completed. Representations have been received from ITSEZs and other neighbourhood colonies in Madhurawada and Rushikonda areas to provide central median and lighting for this road as Commuters from city are increasing day by day in the recent times. Considering the safety aspect and necessity for street lighting during night times for increasing traffic volume, it is proposed to provide street lighting besides construction of central median from Midhilapuri VUDA colony Jn., to Beach road at Thimmapuram Jn., (via Kapulauppada layout Jn.,) for a length of 6.00 KM. The central median is proposed with 30 cm high CC kerbs on both sides of the 2 Mts wide median and street lighting is proposed along the central median with double armed 9.00 mts height GI octagonal poles using modern CFL fittings and 65W lamps to minimize energy consumption. The estimated cost is worked out to Rs 170.00 Lakhs.

Hence, the subject matter is placed before VUDA Board for perusal and approval of the proposal.
