AGENDA NOTE

The VUDA has recently created site offices in various layouts to facilitate the allottees to submit their grievances relating to their plots / layouts to site in charge in the site offices instead of coming to VUDA.

Certain educated NMRs have been kept as Site In-charges to receive the grievances and to dispose them immediately. The Site In-charges have requested to sanction re-imbusement of Bus pass fares to them on par with regular employees since they have to attend to Site Offices every day which are located faraway.

The matter has been examined in detail. Keeping in view of their financial hardship to attend to layout work and land protection reasons the request of the following 11 NMRs, who were kept as Site In-charges in various layouts for re-imbusement of the Bus pass fares is considered and they are sanctioned re-imbusement bus pass charges with effect from 11/2003.
