AGENDA NOTE :

An extent of Ac. 0.52 cts in S.NO.14/P and 87/P of Gajuwaka was originally proposed for acquisition for the formation of 40' Wide Road connecting from High School road to N.H.5 road at Gajuwaka vide WUDA Resolution No.44 dt. 1.2.86. Subsequently the land was re-surveyed and proposed for acquisition for an extent of Ac. 0.15 cts in S.NO.14/24P to 29P of Gajuwaka instead of above extent for the formation of the 40' Road. The revised schedules are yet to be sent to the Land Acquisition Officer, VUDA for initiation of L.A.Proceedings.

At this stage, Sri D.S.Prakasa Rao has put in a representation dt. 2.6.92 and 26.6.92 for allotment of site in Kuramannapalem Phase.II in lieu of his site being acquired by WUDA.

The following lands belonging to Sri D.S.Prakasa Rao are involved in the acquisition proposals.

Since Sri D.S.Prakasa Rao has come forward and seeking for allotment of proportionate land in Kuramannapalem Phase.II Layout, it has been decided to allot site in Kuramannapalem Layout for the proportionate extent as was done in the case of Dr. Shivaji in Kuramannapalem Layout. This will not be any precedent to any other case as it is a small extent of bit connecting to an important road. The extent to be allotted to Sri D. S.Prakasa Rao will be calculated as per ground position.

The matter is placed before the WUDA Board for approval.
