

SUBJECT NO. 82.

Subject:- VUDA - Delegation of Powers of the Authority to the Vice-chairman for approval of B.L.Ps release of Final Layouts etc., - Regarding.

At present the Authority is not constituted by the Government and the Government have appointed the District Collector, Visakhapatnam as Special Officer, of V.U.D.A. Vide G.O.Ms. No.478, M.A. dated. 20-11-95 and G.O.Ms. No.240 M.A., Dated.20-5-96.

There are always a number of applications for approval of layouts and buildings permissions in the V.M.R. and they have to be disposed off according to the relevant rules promptly by the Authority/Special Officer, and it would be time consuming if every one of such application is placed before the Authority/Special Officer for approval. In the interest of quick disposal of such applications and also to save the public from approaching two authorities for a single application, it may be considered that these powers be vested with the Vice-chairman who is full time Officer of V.U.D.A.

Earlier, the Government of A.P. in its G.O.Ms.No.71,M.A., Dated. 9-2-86 directed the VUDA to delegate the powers vested with the Authority/Special Officer to the Vice-chairman for approval of layouts and granting of building permissions and other functions exercised by the Sub-committees earlier. And this practice was followed for some time. But later the Board again resolved to inspect all layouts before approval. This was causing a lot of delay and inconvenience to the Public.

The matter is therefore placed before the Special Officer for approval of the delegation of powers of the Authority to the Vice-chairman, VUDA to sanction B.L.Ps and release of Final Layout permissions, Building Permissions, finalisation of tenders powers of the erstwhile Sub-Committees, etc., where the approval of the Authority is required. However a Statement showing the cases disposed will be placed for the perusal of the Special Officer, periodically.

Resolution as modified,  
is approved.
