

Sub : VUDA – Engg – IT Cell - Requirement of Technical consultancy services to VUDA on Server Architecture / Computer Hardware to suit the requirements of office use in VUDA – Reg.
Ref : File No. 05 / DEE (IT) / CE / 2010.

It is proposed to procure servers and server Architecture to suit the requirements of office use in VUDA. Accordingly the Director General, "Center for Good Governance", Hyderabad and Director Projects, "Institutes of Electronic Governance", Hyderabad, have been contacted with a request to advise VUDA in procuring necessary latest Server Architecture / Computer Hardware by extending their Technical expertise.

As per the acceptance and quotations furnished by the above organizations the CGG was identified as nodal agency to be approached by the Government departments for consultancy services with regard to software and Hardware as per GO Ms. No. 13 and GO Rt No. 26B of IT & C Department.

Therefore, quotation and acceptance of the Director General, Center for Good Governance Hyderabad was accepted by the Vice Chairman to take the Technical consultancy services on Server Architecture / Computer Hardware to suit the requirements of office use in VUDA, with the following Terms :

- 1) **scope of work** for the Technical Consultancy shall include, a) Study the existing Hardware, Networking and Application Software's presently under utilization and proposed for development, b) To prepare Estimates, Specifications for the procurement and installation of suitable Server Architecture / Computer Hardware, c) To prepare Tender Documents for procurement of suitable Server, d) To suggest all server based protection measures like Antivirus / Firewalls etc.
- 2) The Technical consultancy charges payable to CGG will be @ 2% of the Project Cost.
- 3) The cost of Travel and accommodation for the Technical Team of CGG shall be paid by VUDA as per the prevailing Government Norms.

The matter is placed before the VUDA Board for kind perusal and ratification in entrusting the Technical Consultancy service on the above subject to CGG and approval to proceed with the procurement of Servers as per the report submitted by CGG
