**AGENDA NOTE:**

VUDA has taking up various developmental works Master Plan Roads and other Infrastructures, Major Projects like Haritha Project, Indoor Stadium, Commercial complexes, Dr. YSR Park and Modern children Arena etc., in VMR Region including extended limits spread over in 4 Districts, but there is a no sufficient staff in VUDA due to non recruitment for a long period and periodical retirements of staff in different cadres on attaining superannuation and there is a dire necessity for staff especially in the cadre of Deputy Executive Engineers to supervise the works taken up in various places covering in 4 Districts.

In the meanwhile, certain Assistant Engineers / Assistant Executive Engineers working in VUDA requested for promoting them as Deputy Executive Engineers against the existing vacancies as per the VUDA service rules.

In this connection, it is to submit that the sanctioned strength of Deputy Executive Engineers is “16”. Out of the “16” Deputy Executive Engineers, there are only “9” Deputy Executive Engineers are working at present after retirement of 2 Dy.E.Es from service and promotion of 5 Deputy Executive Engineers as Executive Engineers in the last few months.

It is further is submitted that the 3 Assistant Engineers have filed application before the Hon'ble APAT in O.A.No. 8826/2010 seeking direction to the VUDA for promoting them as DEEs against the existing vacancies since they are eligible for promotion and placed in the seniority list. The Hon'ble APAT, in its interim order

dt. 14-12-2000, has directed the VUDA to dispose of their pending representations dt. 8-11-2010 and 9-11-2010 in terms of G.O.Ms.No. 560, MA. Dt.29-6-1982 with in a period of 4 weeks. Accordingly, their representations were examined and disposed off and it was communicated to them that whenever vacancies of Dy.E.Es arise, necessary proposals would be submitted to the Government for the same.

However, the final outcome is awaited on the O.A.No. 8826/2010 pending before the Hon'ble APAT. The Government has also been apprised the above position and supplied a copy of the counter to be filed in the Hon'ble AP Administrative Tribunal as requested. While the matter is pending before the Hon'ble AP Administrative Tribunal, the petitioners (A.Es) have requested the VUDA to consider their cases for keeping them in-charge for the post of Dy. E.E. in the existing vacancies. Accordingly, the AE/ AEEs have considered for in-charge to the post of Dy.E.Es for administrative convenience.

The Hon'ble A.P Administrative Tribunal disposed off the O.A.No. 8826/2010 in its order dt.22- 8-2012 that the promotion already affected to the applicants & there is no need for any further direction, since the applicants are being promoted on In-charge basis, in view of the pendency of the seniority disputed. So far as the pay and emoluments are concerned, the applicants are at liberty to claim the said benefit on the basis of the judgment of Tribunal, directing the VUDA to extend the scale of pay to the post which the persons were promoted on in-charge basis and continued for long time.

As per the Government orders issued in G.O.Ms.No. 2, Social welfare Dept., dt.9-1-2004, the reservation for S.Cs are earmarked for two (2) posts and one (1) post for S.Ts. respectively in the cadre of Deputy Executive Engineer.
