

SUBJECT NO: 112.

Sub:- UDA, Vsp. - Re-imbusement of Medical expenses to certain RNMR & NMR working in WUDA - Approval/ ratification - Reg.

\*\*\*

AGENDA NOTE

The following RNMR and NMR working in WUDA have met with a major accident on 20.1.98 and they have been admitted in Latha Hospital, Visakhapatnam for treatment.

1. Sri D.S.N. Raju, RNMR
2. Sri J. Satyanarayana, NMR Electrician.

The injuries were severe and the treatment requires substantial amounts for hospitalisation expenditure, operations etc. Sri J. Satyanarayana, NMR Electrician was discharged from the hospital after operation and a few days of hospitalisation.

Sri D.S.N. Raju, RNMR, WUDA is still in hospital and bedridden. He requires physiotherapy, Rehabilitation, Dental surgery, care of the chest and back etc., These expenses are very heavy and if they are not supported by way of re-imbusement of medical expenses their survival would have been difficult.

Therefore, it is considered to reimburse the actual expenditure involved in their medical treatment under humanitarian grounds.

Hence, the WUDA Board is requested to approve the above proposals in connection with re-imbusement of medical expenditure to the hospitalised two NMRs.

VUDA RESOLUTION No. 112, dated 28-3-98.

Approved.

*X. Srinivas*  
CHAIRMAN.
