

SUBJECT NO. 127 :

SUB:- V.U.D.A. - PLANNING - VISAKHAPATNAM - Preparation of new V.M.R. Master Plan for 2020 A.D. - Regarding.

* * *

AGENDA NOTE :

The V.U.D.A. has prepared the Master Plan for V.M.R. as per the A.P. Urban Areas Development Act, 1975. The Government sanctioned the Master Plan vide G.O.Ms.No.274, M.A., dated 23.05.1983. The Master Plan was prepared envisaging the development potential for the horizon year 2001 A.D. consisting of 5 Urban and 287 Rural settlements spread over an area of about 1721 Sq.Kms. The population is fastly increasing in the city and the region, due to the past industrial growth and other service activity.

The growth scenario is fastly changing day by day and present Master Plan is coming to an end since we are approaching to 2001 A.D. within 3 years. The industrial scene of Visakhapatnam region set for rapid growth due to liberalisation and globalization of the economy by the Government policies. Therefore, there is need to formulate a new Master Plan for the V.M.R. considering the Industrial growth tourism potential, and other developments in various sectors. It will take 2 to 3 years of study to formulate the next plan upto 2020 A.D.

Therefore, the V.U.D.A. Board may consider to permit the Vice-Chairman, VUDA to form a study group to work at a draft proposal for V.M.R. Master Plan 2020 A.D. and to commission the study.
