

SUBJECT NO. 128 :

SUB:- PLANNING - V.U.D.A. - VISAKHAPATNAM -  
Conducting of work shop in Visakhapatnam by  
the CIDCO Officers of Bombay - Reg.

\* \* \*

AGENDA NOTE :

The Government of Maharashtra has constructed new Bombay city on the sound Planning principles with provision for residential colonies, Industries, Commercial, development, Truck terminals, Market Yards, laying of rail lines, Railway stations, construction of Air Port, Park development, and other recreational facilities. The new Bombay is a modern town with all the infrastructural facilities what is required for a modern township. The project was executed, and has been manned by the (CIDCO) City and Industrial Development Corporation constituted by the Government of Maharashtra for the creation of new Bombay (Now Mumbai). The technical expertise of CIDCO can be invited to Visakhapatnam by representing the Vice-Chairman of CIDCO to conduct a work shop for the benefit of the V.U.D.A. Board and technical staff of V.U.D.A. to get generation of new ideas, and exposure to modern city development. It is also proposed to simultaneously conduct Inter U.D.A. Conference by inviting Chairman, & Vice-Chairman, of the Urban Development Authorities of Hyderabad, Vijayawada, Tirupathi, Kakatiya, Quli Qutub Shah Old city, Hyderabad and also some Municipal Commissioners.

The V.U.D.A. Board is requested to consider the above proposal.

VUDA RESOLUTION No. 128, dated 28-3-98.

Resolved to conduct an Inter-U.D.A. Conference as proposed and to invite CIDCO to make a representation. Also all the Board members may go on a study tour to Navi Mumbai, Noida at New Delhi etc.

*K. S. Singh*  
CHAIRMAN.
