

SUBJECT NO. : 360

Sub: Butchirajupalem Housing Scheme - Allotment of specific No.of flats to the allottees at tentative cost-Regarding.

AGENDA NOTE :

The construction of 72 MIG-I flats and 48 MIG.II in Butchirajupalem Housing Scheme have been completed. Except for 18 MIG.I flats, all the flats have been allotted to the general public. Since the construction is completed a decision may be taken for making specific allotment of these houses.

The tentative cost of these houses as arrived in 1997 was Rs.3,01,600/- for MIG.I (Rs.548/- Sq. Foot and Rs.4,14,600/- for MIG.II (Rs.518/- per sq. foot).

The final cost cannot be fixed now since one D.P. is pending for enhanced land compensation. Hence the final cost will be fixed as and when the D.P. is disposed of in the court. For the time being, tentative cost may be collected from the allottees.

This is for information.

VUDA RESOLUTION NO.360, dated 27-3-99.

Discussed in detail. Resolved to allot specific allotment of the flats constructed at Butchirajupalem Housing Scheme to the allottees.

K. Gangoo
CHAIRMAN.
