**Agenda Note:**

The Commissioner, GVMC has requested VUDA Authorities to take up the development of Park in the vacant open space available to an extent of Ac.5.00 Cts in Swatantranagar Layout, Madhurawada since there is no major park in Madhurawada Zone.

Thereupon VUDA proposed to take up development of Park with all amenities like Open Air Theatre, Skating Rink, Children Play Equipment, Garden benches landscaping / plantation including internal pathways and allround compound wall with ornamental gates.

Accordingly an estimate was prepared for Rs.50.00 Lakhs for development of park. Initially it is proposed to build compound wall allround the open space to protect the land since certain hutments were exists in this site this site covering an extent of Ac 1.60 Cts. These encroachments are to be removed / evicted by GVMC Authorities since this site is within the GVMC limits.

The Vice Chairman, VUDA accorded Administrative Sanction for Rs.14.00 Lakhs towards construction of compound wall and Rs.35.00 Lakhs for other items. Firstly the compound wall work was taken up and 80% of the work is completed so far. Balance work is held up for want of site clearance i.e. removal of encroachments by GVMC.

In order to complete the balance work of compound wall and to develop the Park in full shape GVMC Authorities are being pursued to the clear the encroachments.
