

SUBJECT NO: 36

- Sub: Engg - VUDA - Widening of Chinna Bazar - Illisipuram Road and Construction of SW Drains at Srikakulam - Proposal submitted for approval - Draft subject placed before VUDA Board for Perusal & approval - Reg.
- Ref: 1. Letter of the Commissioner, Srikakulam Municipality, Dt 27-09-2011
2. Request made by Hon'ble Minister for R&B Department, during review meeting and inspection of site on 26-11-2011

Agenda Note

The Commissioner and Special officer Srikakulam Municipality has requested the VUDA to take up widening of existing road from Chinna Bazaar - Illisipuram Road to 40'-0" wide located in Srikakulam town. At present the road width is about 28'-0" only and this is one of the important town road catering the needs of the residents of surrounding colonies and connecting National Highway.

Further during the review meeting and inspection to site by Sri Dharmana Prasada Rao, Hon'ble Minister for Roads & Buildings along with officers Srikakulam District and VUDA it was requested Vice Chairman, VUDA to take up the widening of Chinna Bazaar - Illisipuram Road keeping in view of traffic congestion occurring frequently due to inadequate road width and improper drainage facility. Since it is one of the main connecting road to National Highway from Srikakulam town, it is essential to widen the road to meet the future demand of traffic. After inspection and discussions held Vice Chairman, VUDA agreed to take up the widening work provided the Municipal Authorities removes encroachments and compensation is paid for the land involved in road widening along the road and handover the site to VUDA without any dispute.

Accordingly the Commissioner, Srikakulam Municipality was addressed to take up the removal of encroachments, shifting of service lines and initiate and finalize the process for making payment towards compensation for land losers and to handover the clear possession of the road so that VUDA can take up the Road widening work.

Meanwhile in accordance with the instructions issued an estimate has been prepared for widening and construction of drains on both sides of the above road for Rs 285.00 Lakhs. The length of the road is 1.50KM and proposed Right Of Way is 40'-0" wide. CC drains of size 2'-0" wide are proposed on both sides of the road along with cover slabs. The above proposals are submitted to Vice Chairman, VUDA for according Administrative Sanction and to permitted to take up the work by way of 'e' tenders.

The matter is placed before VUDA Board for perusal and approval.
