

Sub Works - Engg - VUDA - Providing Balance / Leftover Infrastructure facilities in Layouts / Housing schemes developed by VUDA - Proposals submitted - Draft subject placed before VUDA Board for perusal & approval - Reg

Agenda Note

VUDA developed many Layouts - Sites & Services / Plotted development schemes and Group Housing Projects in its jurisdiction at various places. All the infrastructure facilities i.e. formation of roads, construction of CD works, Storm Water Drains, Providing Water Supply Distribution Layout Electrification including development of Parks avenue plantation etc. are provided in the all the above layouts in the past. After completion of infrastructure development in the Layouts the same were handover to local bodies either Panchayats / Municipalities / Municipal Corporation for further maintenance as per mandate of Urban Development Act.

During the VUDA Board Meeting held on 15-09-2011, while reviewing the Sites and Services / Plotted Development Schemes taken up by VUDA in the past, Chairman, VUDA instructed to complete all infrastructure works pending or balance to be provided including missing links or extended portions if any in all layouts developed by VUDA with best quality to keep up the credibility of VUDA and to provide better service to general public.

In accordance with the above all the layouts developed were inspected by Engineers concerned and detailed survey was conducted regarding infrastructure facilities to be provided as per the requirement and ground conditions. Based on the above detailed estimates have been prepared towards infrastructure facilities to be provided in various layouts and worked out to Rs 2100.00 Lakhs. Details of infrastructure facilities to be provided layout wise are enclosed herewith for kind perusal. The above proposals are submitted to Vice chairman, VUDA for according Administrative Sanction and to permit to take up the works Layout wise by way of e-tenders.

The matter is placed before VUDA Board for perusal and approval
