

Sub:- VUDA - Vsp. - Gurajada Kalakshetram
Cultural Committee Nomination - For
further functioning and maintenance of
Gurajada Kalakshetram - Ratification -
Reg.

..

The VUDA has constructed an Open Air Theatre and named it as Gurajada Kalakshetram. The VUDA has maintained the same by giving it to the Cultural and Musical purpose on some nominal rate at Rs.1500/- per day towards hire charges for commercial purpose and Rs.750/- towards Electrical charges. Due to lack of programmes the Gurajada Kalakshetram was kept idle. The amount accrued on the Gurajada Kalakshetram by way of hire charges and electrical charges are very less and not sufficient to meet the maintenance charges.

The VUDA has examined the position and decided to put it in continuous functioning by constituting a permanent Cultural Committee to promote the cultural and musical activities and to make use of the Gurajada Kalakshetram.

Accordingly the VUDA has constituted a Committee headed by Dr.G.K.Abburi, Hon'ble Director.

As per the Proceedings issued by the then Vice Chairman, VUDA (copy enclosed) it is decided to provide seed capital to start the programmes initially and there after the Committee should generate its own resources through the collection of Entry fee by under taking activities as well as maintenance of Gurajada Kalakshetram.

For functioning of the above Committee, it was also permitted to accommodate their ^{work} ~~service~~ in Gurajada Kalakshetram. The VUDA has proposed to depute a Clerk-cum-Typist and a Office Boy to work in their office and the expenses towards their salaries and allowance and other expenses if any there on to be borne by the Committee. The Committee has also to pay the electrical charges and maintenance charges ^{sent} to VUDA.

Deffered for detailed discussions
