S.No.	B.A.No.	Name of the applicant	Remarks
21	Re 1072/63	Sri Radhaswamy Sat Sang Sabha	open space may be granted. The proposed construction is only a prayer hall in the Rock house area abutting to 60 feet wide road gifted by Rani saheb of Daspalla for an approach road to new Sanoa reservoir. The road has to be formed by the Municipality. The proposed construction satisfies Master Plan permission permission. Permission may be granted.

SUBJECT:- No. 61. Layouts - Visakhapatna Municipality - Layout for T.S.No.1671 of Allipur ward -- Approval - Regarding.

NOTE:- The promoter, State Bank of India staff co-operative housing society has sent a layout for T.S.No. 1671 of Allipur ward with a request to approve the same. The site has been inspected by me. The layout area comes under Allipur ward Town Planning scheme Part VI and residential district No. 15 and it has been designed in accordance with contours. The layout has been revised fixing 5' building line for 33' road and 40' road connecting G.N.T. road and 75' road of Dabagardens.

The layout is placed before the trust for its consideration and approval subject to the approval of Director of Town Planning and subject to the other conditions if any laid down by the Municipality. The five uneven sites may be reserved for the various public amenities.
