

Sub: Construction of Collectors Bungalow on the top of Dasapalla hill - Executing the work of compound wall construction - Permission to Executive Engineer-II VUDA to execute wall departmentally and exemption from payment of centage charges - Regarding.

---

There is a proposal to construct Collector's Bungalow on the top of Dasapalla hill and an area of Acs. 4-64 has been earmarked for the Collectors Bungalow in the extension of Dasapalla Layout. The Collector, Visakhapatnam has been pleased suggest to the Vice-Chairman, Visakhapatnam Urban Development Authority to get a compound wall along the periphery of the Collector's Bungalow Plot through the Executive Engineer-II, Visakhapatnam Urban Development Authority departmentally without collecting centage charges for said execution from Revenue department as it is a Government work. As per rules when the works of other departments have been takenup, the department has to pay 17½ centage charges to the department executing the work.

As the proposed wall is being a Government work the Urban Development Authority is requested to consider the request of the Collector and to permit the Executive Engineer-II to takeup execution work and to waive the centage charges. The estimate cost of the above wall is Rs.1,18,000/-.
