

SUB:U.D.As - World Bank Assistance in the field of
Urban Development - Visakhapatnam Urban Deve-
lopment Project - Regarding.

....

Government in their Lr.No.382/I(1)/85-1, M.A., dated
2.3.1985 and telegram dated 3.4.85 wanted V.U.D.A. to send
proposals for World Bank assistance with reference to the
Government of India Lr.dated 4.2.85 D.O.No.K-14011/75-83-
UD-IIIA of the Works & Housing Ministry.

Accordingly action has been initiated calling for
the proposals of various departments in the field of Urban
development such as Public Health Engineering Department,
Municipal Corporation, Roads & Buildings etc., so as to
prepare an integrated project report, covering different
key sectors like Area Development Housing, Traffic and
Transportation, Water supply, drainage, basic needs programme
like Environmental Improvement schemes, shelter programme,
employment generation schemes and Eco-development schemes.

There are 4 steps involved in the World Bank Project
preparation.

1. Project objectives.
2. Identification of Key Sector for development.
3. Preparation of a Draft Project outline.
4. Preparation of Detailed Project Report in consul-
tation with State & Central Government Exports.

The project identification^{note} is placed in the annexure for
reference.

The draft project outline is prepared after consult-
ing various departments. The key sectors for World Bank
assistance are identified as follows:

1. Water supply
2. Sewerage scheme.
3. Traffic & Transportation.
4. Area Development programme.
1. a) Land Acquisition & Development programme.
 - b. Sites & Services & nucleous development
component A - for E.W.S. Housing
Component B - Nucleous development
 - c. Zonal infrastructure Development.
