The case of these 9 persons who were appointed as Attenders without media of employment exchange has been referred to Government in December 1980 for ratification of action of VUDA and the orders from the Government in this matter are still awaited and those nine numbers are being continued as Attenders/Chainmen.

Regarding sanction of annual increments, these nine persons were sanctioned 1st annual increment on completion of 1st year service. Subsequent periodical increments were not being released from time to time for want of orders of Government ratifying the action of VUDA in appointing these nine persons. As per service rules of VUDA, subsequent annual increments after release of 1st increment could not be released unless and until the probation is declared. The declaration of probation in respect of these nine persons were held up for want of orders of Government.

In this context Government is being addressed time to time for issuing orders in this matter, but orders from Government are not received yet. Due to non declaration of probation to all these nine persons, these persons

are being victimised with unsafety in service and monetary loss too.

Therefore the matter is placed before the Authority for its decision in declaration of probation as well as release of subsequent increments in respect of these nine persons.
