

SUBJECT NO: 55

Sub:- Proposal for sponsoring of Sri L. Subrahmanyam, J.P.O.VUDA to study M.Tech. Transportation of Engg. Course in Engg. College, Warangal - Approval - Reg.

The Professor & Head of Civil Engineering Department, Regional Engg. College, Warangal is going to introduce a Course for M.Tech Transportation Engineering Course during the current academic year for B.E./Tech/AMIE Civil Engg. graduates, B.Arch in Architecture and Town Planning Graduates with 50% aggregate marks. The above course is sponsored by UNESCO-UNDP and Govt. of India, Ministry of Education.

The duration of the course is one and half year. The present batch of students for M.Tech. Transportation Engg. will be admitted towards the end of June, 1987.

Sri L. Subrahmanyam, J.P.O. with B.E. Degree, in Civil Engg., has put in an application requesting this organisation to sponsor him for admission for the above course. He is eligible for the above course.

In this regard, it is submitted that the sponsoring Organisation shall bear the fee charged by the College during the studies including Departmental Operating cost of Rs. 1500/- per semester.

In this connection, it is submitted that the VUDA has earlier sponsored 3 candidates from Planning for higher studies i.e., Master in Urban & Regional Planning (MURP), to Roorkee and Delhi.

At present, the VUDA do not have a Transportation Planner in our staff. Hence sponsoring a candidate for this course would be beneficial to VUDA especially for implementation of stage of Master Plan.

In view of the above, it is proposed to depute Sri L. Subrahmanyam, J.P.O. of this Office for the above Course.

The matter is placed before VUDA for approval.
