only on par with other smaller UDAs in the State. This meagre amount is not sufficient to meet the needs of this Authority. This Authority should be provided with minimum of Rs. One Crore grant for 1987-88 so as to enable to take up non-remunerative and other developmental works during 1987-88.

The matter is placed before the VUDA Board for consideration and to recommend the case for release of additional grant of Rs. 55 lakhs.
