Re.No.395/93/E.M.II/dt.15-6-93.

Sub:- Construction of Community Hall in
Larripalen Layout - Regarding.

..

The Larripalen Residents' Association in their letter dt.20-11-92 requested for construction of one Community Hall and Shopping Complex in the Layout. In their letter, it is mentioned that no public facilities are provided in the layout and it is essential to construct a Community Hall and Shopping Complex in the Layout.

The matter has been examined in detail and it is proposed to construct one Community Hall and a Shopping Complex in the open space provided for the purpose in the Layout. The plinth area of the Community Hall will be 1900 sft and the plinth area of each shop will be around 170 sft. (3 shops). The estimated cost of the above two buildings will be around Rs.7.00 Lakhs.

The V.U.D.A. Board is requested to consider the above proposal.
