

Re.No.2043/94 C3

SUBJECT NO: 567

Sub:- Demand survey for allotment of sites in  
Chinamushidivada - Pendurthi Mandal -  
Visakhapatnam - Reg.

\*\*\*

AGENDA NOTE :

The Government alienated Acs. 43.21 Government lands in Chinamushidivada (V); out of which, the WUDA has proposed sites and services scheme in an extent of Ac.10.16. The layout has been prepared for the said extent for accommodating the M.I.G. ( 167 Sq. Yards, No. of plots 42) and H.I.G.I ( 267 Sq. Yards, No. of Plots 24) and H.I.G.II (289 Sq. Yards, No. of Plots 32). The tentative rate for the said land is worked out @ Rs.260/- for the MIG category and Rs.280/- for HIG.I and HIG.II categories. Keeping in view of the lesser demand in this area, it is proposed to collect the site cost in four instalments in one year. The Board is requested to consider the above proposal, so that a notification can be issued duly calling for the applications for allotting the plots to the MIG, HIG.I and HIG.II categories subject to payment of the site cost in four equal instalments in one year from the date of provisional allotment of the plots.

6. Subject No. 567

: Resolved to fix Rs. 250/- for MIG  
and Rs. 260/- for HIG.
