AGENDA NOTE

A requisition to initiate action for acquisition of the following lands was sent to the Special Deputy Collector (LA) WUDA in this office letter dt. 7.9.91 as these lands were required for formation of 40'-0" approach road to Kurmannapalem Layout.

Sl. No.	Village	Survey No.	Extent
1.	Sanivada (V)	93/2P	0.13
2.	Kumrannapalem (V)	135/1,2P	0.72

When the acquisition of the above lands has come to P.V. stage, it is noticed that the land in S.NO.93/2P of Sanivada(V) was acquired by A.P.I.I.C., Hyderabad in Award No.5/81 dt.5.3.81. Hence it cannot be acquired by WUDA again. The road was already formed on ground. But in order to acquire title over the land the Managing Director, A.P.I.I.C., Hyderabad was requested in this office letter dt. 30.11.93 to transfer the above land to WUDA. A reply in the matter is awaited.

As the land in question was already acquired and it cannot be acquired again, the matter is placed before WUDA Board for taking a decision to withdraw the land measuring Ac. 0.13 in Sanivada (V) from acquisition of WUDA.

603:- Resolved to withdraw the land measuring an extent of 0.13 cents in S.No. 93/2P of Senivada village from acquisition
