Sub:- Purchase of Computers to Urban Development Authority, Visakhapatnam & Placement of Purchase Order M/s HCL-HP Limited - Regarding.

AGENDA NOTE:

The Andhra Pradesh Technological Services Limited (APTS) was requested to procure the computer system to V.U.D.A. for the computerisation of Allotment, Accounts, and Engineering Wings. The price quoted by APTS Ltd., Rs. 0.63 lakhs higher than the local market prices for the same configuration and brand. A.P.T.S. Ltd., charging 5% procurement commission which worked out to Rs. 0.16 lakhs for the configuration of PC/AT 80386 DX with 3 nodes.

The comparative cost of APTS Limited and local area office of the same company M/s HCL-HP Ltd., has been examined and thereby observed an amount of Rs.0.79 lakhs (Rs. 0.63 lakhs + Rs. 0.16 lakhs) can be saved. The comparative statement is enclosed. Hence there is no economic sense in purchasing from APTS Limited. Besides direct purchase will have the advantages of 'LAN' Training and prompt servicing from Company local area Office. Since VUDA is not bound to purchase the material through APTS as in other Government bodies, the purchase order has been placed through HCL-HP Limited local area Office 80486 DX System with 3 Nodes after detailed system study and bargaining.

Hence the matter is placed before VUDA for ratification of the V.C. in having placed the purchase order on M/s HCL-HP Ltd., for Rs. 3.25 lakhs on 28-6-94 in anticipation of approval of the Board.
