## MGENDA NOTP:

Tenders are being invited for the worss for which Administrative sanctions accorded by Vicechairman, WDA. After re-ceipt of tenders, comparative statement will be prepared with the rates of participated tencerers and will be put up to Chief Engineer duly checked. Based on the trend of tenders, if, the Chief Engineer, feels that negotiations are necessary, orders will be passed by C. I. for negotiations with the lowest tenderer. As per the proceedure being f-ollowed in Govemment Ingg. Departments and the Govermment orders noted in the 1I Code, the lowest tenderer will be invited for negotiations. After negotiations with the lowest tenderer, if the tender is considered reasonable, the same will be accepted by Chief Engineer. If the lowest tender after negotiations is not found reasonable, the next lowest will be invited for negotiations. If the second lowest tenderer al so not reduces bis rates considerably even after negotiations, the third tenderer can be invited for negotiations or tenders ean be cancelled and reinvited for fruitful tenders. As per the powers delegated in G.O.Ms. No. 1007, I FeB, Dated. 5-11-76, the Goief Engineer can accept the tenders upto $15 \%$ excess over estimate rates. The then Vice-chairman, WUDA has permitted the Chief Fngineer to exercise the powers of Chief Engincer upto $10 \%$ excess over estimate rates for acceptance of tenders vide office orders No. $251 / 94 / A 1$, Dt. 15-1-94. Eventnough the powers are delegated to C. E., the tenders so accepted by C. E. are being submitted

Ton tonders accnpted by Chief En, ineer and perused by Jien-chaiman \& Coaiman will bo listed out and the same will be placed before boarcior its perusal. This subjoct is placed belore v.U.D. A. Boara for perusal on proceedure beinğ t'mllowed on acceptrnce of tencers.

The following changes for the existing procedir? ar contmplated, which may be put up to Boand for retific?tion.
(1) The Lowest 3 tenderers snall be necesserily called for negotiations. Nesotiations can be cone indivicually or collectively, as per the need of the situation.
