SUB:PLANNING - VUDA - Proposed 50' wide road through plot No.10 of Mythreyanagar layout in S.No.1008 Block No.39 Waltair ward - Applied for by Sri Ch. Veerabhadra Rao - Regarding.

....

AGENDA NOTE:

Sri Ch.Veerabhadrarao has applied for deletion of 50' wide proposed road as Service road to Beach Road through plot No.10 of Mythreyanagar layout in S.No.1008, Block No.39 of Waltair Ward.

Visakhapatnam Municipal Corporation in their remarks dated 26.8.94 has stated that as per the sanctioned Master Plan there is no 50' road through plot No.10 of T.S.No.1008 of Waltair ward.

The matter has been examined the Mythreyanagar layout in which the plot No.10 falls was approved as per court orders as per which there was no service road. Subsequently when the VUDA took up the development of Ocean view layout service road of 50' wide was developed parallel to Beach road and the same was proposed to be continued through plot No.10 ^{of private layout} of the Waltair Ward T.P.Scheme. This proposal could necessitate construction of building over the gedda besides acquisition of land in ~~plot~~ plot No.10.

The straight road of 33' width only available now on ground as service road is not in line with another service road available towards south of this area shown as C.D in the plan and continuation of this road is not possible as the Visakhapatnam Municipal Corporation already constructed pucca structure for Children's play purpose. Further it does not serve any useful purpose.

In view of the above, the request of the applicant to delete the 50' wide road in plot No.10 is placed ~~before~~ for approval of VUDA.
